The Complainant in this matter asserts that the following provisions contained in R.C. §5715.19 violate the Article XII, Section 2 of the Ohio Constitution (the Uniform Rule provision), and the Due Process and Equal Protection clauses of both the United States Constitution and the Ohio Constitution:

1. The requirement that a property must have been “*sold in an arm’s-length transaction, as described in section 5713.03 of the Revised Code*” before a complaint can be filed by a legislative authority of a subdivision, mayor of a municipal corporation, or third-party complainant as to property not owned by the complainant. There is no similar requirement imposed upon property owner complainants.
2. The requirement that a property must have been “*sold in an arm’s-length transaction, as described in section 5713.03 of the Revised Code, before, but not after, the tax lien date for the tax year for which the complaint is to be filed*” before a complaint can be filed by a legislative authority of a subdivision, mayor of a municipal corporation, or third-party complainant as to property not owned by the complainant. There is no similar requirement imposed upon property owner complainants.
3. The requirement that a property must have been “*(i) sold in an arm’s-length transaction, as described in section 5713.03 of the Revised Code, before, but not after, the tax lien date for the tax year for which the complaint is to be filed and (ii) the sale price exceeds the true value of the property appearing on the tax list for that tax year by both ten percent and the amount of the filing threshold determined under division (J) of [R.C. 5715.19]*” before a complaint can be filed by a legislative authority of a subdivision, mayor of a municipal corporation, or third-party complainant as to property not owned by the complainant. There is no similar requirement imposed upon property owner complainants.
4. The requirement that a board of revision “*is without jurisdiction to hear, and shall dismiss, the complaint*” if “*the board of revision has not rendered its decision on the complaint within one year after the date the complaint was filed*” only if the original complaint is filed by the legislative authority of a subdivision, the mayor of a municipal corporation with territory in the county, or a third-party complainant. There is no similar requirement imposed upon original complaints filed by property owner complainants.
