I feel someone dropped ball and reappraisal process had not been kept up to date in equalizing the value of this property for some time based on market trends. Believe assessed value different/lower than similiar properties in neighborhood and around surrounding area and doesn't conform/reflect the market.

14. If you have filed a prior complaint on this parcel since the last reappraisal or update of property values in the county, the reason for the valuation change requested must be one of those below. Please check all that apply and explain on attached sheet. See R.C. section 5715.19(A)(2) for a complete explanation.

- The property was sold in an arm's length transaction.
- The property lost value due to a casualty.
- A substantial improvement was added to the property.
- Occupancy change of at least 15% had a substantial economic impact on my property.

15. If the complainant is a legislative authority and the complaint is an original complaint with respect to property not owned by the complainant, R.C. 5715.19(A)(8) requires this section to be completed.

- The complainant has complied with the requirements of R.C. section 5715.19(A)(6)(b) and (7) and provided notice prior to the adoption of the resolution required by division (A)(6)(b) of that section as required by division (A)(7) of that section.

I declare under penalties of perjury that this complaint (including any attachments) has been examined by me and to the best of my knowledge and belief is true, correct and complete.
