Dear Property Owner,

You recently filed a Complaint on the Assessment of Real Property. In that complaint, you stated that you had been taken off the CAUV program due to an error in correctly filing the initial application for CAUV, and/or returning the form.

After careful review by the Board of Revision, we agree that you should remain in the program and the recoupage be waived.

If the recoupment is unpaid at the time of this letter it will be removed from the taxes. If any of the recoupment has been paid, that amount will be returned to you.

Sincerely,

Clark County Board of Revision
